**Seven Seas announcement in response to COVID-19 situation.**

**In response to the ever changing government regulations and travel restrictions around the world, PT. Seven Seas Cahaya Utama, operator of the Seven Seas, has decided on a temporary addition to its Terms and Conditions for bookings. In the event that there is an Indonesian Government Travel Restriction, which will prevent you from cruising with us, our temporary policy is as follows:**

**Bookings made for cruises between 15 March and 15 July 2020 will be offered an alternative cruise at discount, pending availability, and for as long as Seven Seas can remain operational and financially viable.**

**We will be pleased to discuss deferring your booking to a later date in due time. There is no need to reserve an alternate at this time, though you may if you wish. We will continue to post availability on the schedule page of our website, with COVID-19 evolves and hopefully clarifies.**
